EDUCATION

BSc, Bachelor of Computer Science   **Sep 2016 – Dec 2022**
Carleton University   **Ottawa, ON**

Relevant Coursework: Web-development, Relational Database, Statistics, Data Structures & Algorithms, Human-Computer Interaction, Object Oriented Design & Analysis, Functional Programming.

EXPERIENCE

Frontend Developer   **Aug 2022 – Present**
muvTravel.com   **Niagara Falls, ON**

- Designing and building cross-platform applications using **HTML5**, **CSS3**, and **JavaScript**.
- Optimize page responsiveness by creating modular and reusable **React** components as well as managing application state using **Redux** reducing page load time.
- Collaboratively work with development team and management to effectively satisfy project technical requirements and complete deliverables on time.
- Implementing original **UI/UX** designs from wireframe conceptions.
- Working with Bitbucket to manage code repositories and create branches, pull requests and merge code

Pharmacy Assistant   **May 2022 – Nov 2022**
Walmart   **Niagara Falls, ON**

- Received inbound calls and provided useful information and ensured customers were satisfied with our services and products.
- Ensured efficient customer service by maintaining, updating, and verifying confidential records of more than 2500 weekly customers.
- Established customer-centric culture of communication, collaboration, and accountability resulting in a more satisfactory customer experience.
- Coordinated with Pharmacists and colleagues in ensuring timely delivery of medications and required supplies necessary for patient care.

Junior Frontend Developer   **Apr 2021 – Aug 2021**
Tefly   **Ottawa, ON**

- Utilized JavaScript and React in developing from the ground up modular components and optimizing front-end components reusability.
- Error tested and debugged reported issues existing in UI components and implemented solutions reducing backlogs.
- Contributed to weekly report meetings with management on improvements

LEADERSHIP

Executive Committee Member   **Sep 2022 - Present**
Destiny Group   **Niagara Falls, ON**

- Planned and collaborated with non-profit young adult groups across the Niagara region in recruiting and training volunteers to food drives and other community events.
